

Basic fan toy for cats

Cats and kittens love toys. Playing helps keep them happy and busy. This easy-to-make fan toy is perfect for your cat or the cats at SPCA.

Safety note: Cats should always be supervised when playing with this toy.

Materials needed:

- 1 piece of craft paper or coloured card
- String or wool (use one single strand only)

Instructions:

Fold paper in an accordion (zig-zag) style, making strips about 2cm wide.

Carefully fold the folded paper in half to find the centre.

Tightly wrap the piece of wool around the middle of the paper. Tie it securely with a knot.

Gently pull the folded ends apart and fan out the paper to complete the toy. Now, you're ready to play!
