

# CAGE COVER CREATORS

If you (or someone in your family) knows how to sew, then our animals would love for you to make them some cage covers.

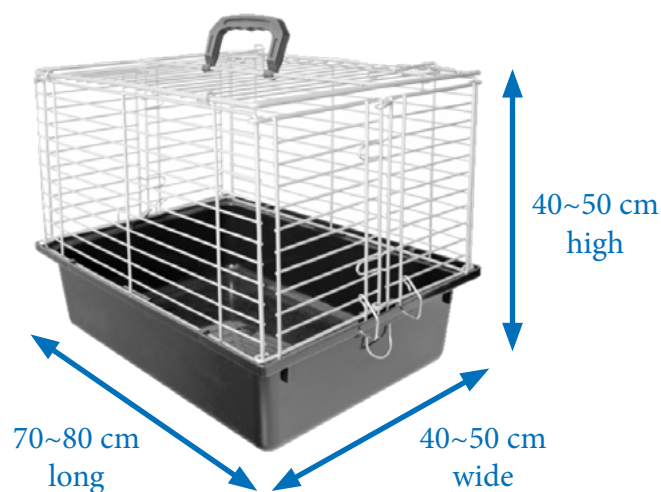

We have a range of cages that vary in size, they are generally:

- 40~50cm high
- 40~50cm wide
- 70~80cms long

So it is safer to make them a bit larger, as our cage sizes vary.

Covers need to hang approx. 20cms lower than the base and they need a hole in the top for the handle.

## NOTE

Contact our **Volunteer Coordinators** if you would like more information or if you would like us to supply you with sheets or fabric for you to use.
