

Cardboard Rabbit Mat

Rabbits love shredding! Using a cardboard box, you can make a great toy that will help your rabbit express their normal digging behaviour!

Materials needed:

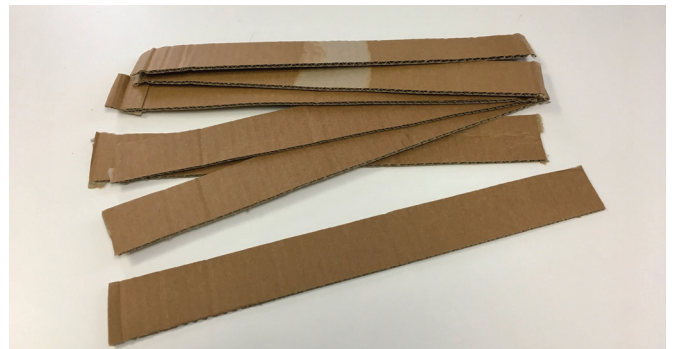

- > **Cardboard boxes.** Be sure to remove any tape, stickers and/or staples to ensure it's safe
- > **Craft knife and/or scissors**
- > **Marker**
- > **Ruler**

- 2 Cut along the bottom to make a tray.
Be careful - ask an adult for help!

- 3 Cut the rest of the boxes (along with the other boxes) into strips so that they will fit snugly in the tray.

Instructions:

- 1 Draw a line around the bottom of the box about 4-6cm from the bottom
Remember to remove all labels, staples, and tape from the cardboard box to keep your rabbit safe!

- 4 Line the tray with the strips
