

Cardboard Tube Toy Instructions

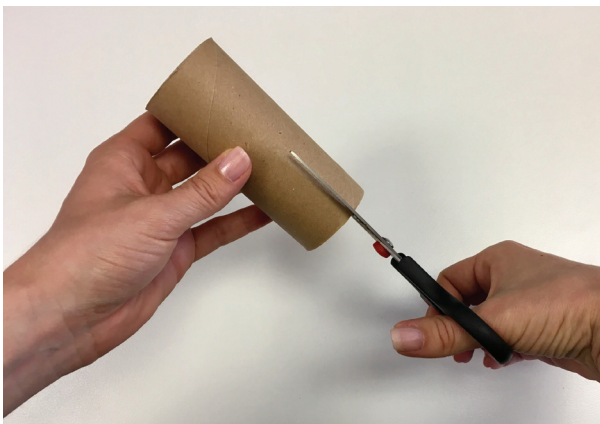

Materials needed:

- > Scissors
- > Cardboard paper towel or toilet tissue roll
- > String

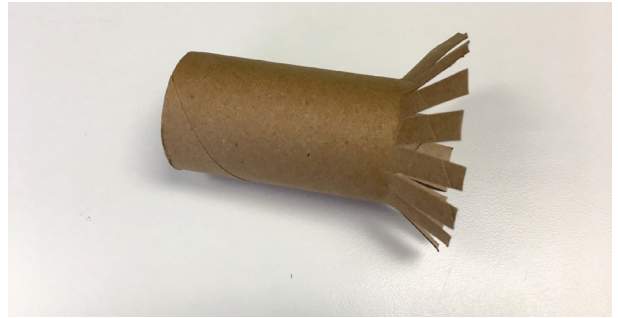

Instructions:

- 1 Cut slits approximately 2cm long up the edge of the toilet roll taking care to cut away from yourself

- 2 Push flaps up creating a frill

- 3 Do the same to the other side

- 4 Tie a piece of string around the toilet roll length ways

NOTE

For kittens you can make smaller ones by cutting the toilet roll in half
