

## Cardboard Tube Slow Feeder

A great way to provide more of a challenge for cats/kittens when eating their meal!

### Materials needed:

- > Tissue box
- > At least 14 cardboard tubes
- > Scissors
- > Hot glue gun & glue

### Instructions:

- 1 Cut the top off of the tissue box. Remember to be careful

*Get an adult's help if you're having trouble!*

- 2 Line the inside of the box with cardboard tubes
- 3 With the help of a parent/guardian, hot glue cardboard tubes in place.
