

Cardboard Tube Toy Instructions

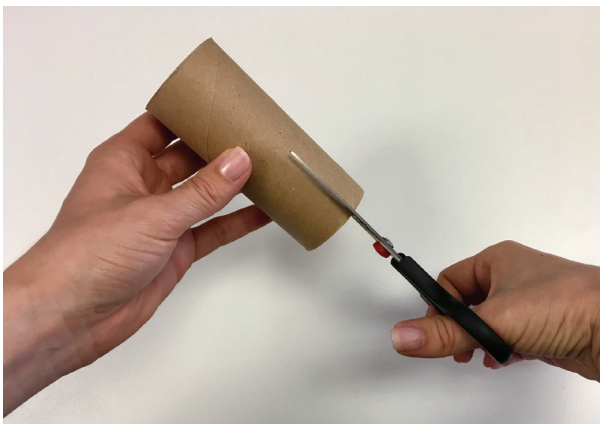

Materials needed:

- > Scissors
- > Cardboard tube
- > String

Instructions:

- 1 Cut slits approximately 2cm long up the edge of the cardboard tube taking care to cut away from yourself.

- 2 Push flaps up creating a frill

- 3 Do the same to the other side

- 4 Tie a piece of string around the cardboard tube length ways

NOTE:

For kittens you can make smaller ones by cutting the cardboard tube in half
