

Cardboard tube toy for cats

Equipment needed:

- 🐾 scissors
- 🐾 cardboard paper towel or toilet tissue roll
- 🐾 string

Instructions:

1. Cut slits approximately 2cm long up the edge of the toilet roll taking care to cut away from yourself

2. Push flaps up creating a frill

3. Do the same to the other side

4. Tie a piece of string around the toilet roll length ways

For kittens you can make smaller ones by cutting the toilet roll in half
