

FUNDRAISING EVENT ORGANISER

Students and their schools support their local SPCAs by raising funds in lots of really fun ways. Fundraising is a great way to help the SPCA if you are still a bit too young to volunteer at your local SPCA Animal Village.

Remember: The first three letters in fundraising spell **FUN** so have a great time and raise money for your local SPCA at the same time.

NOTE Parents and Teachers: please note that SPCA does NOT endorse door-to-door fundraising activities.

There are lots of different fundraising ideas, here are some of the ways young people in our community have raised money for the animals:

Sponsored Stuff:

You can just about make up and do a sponsored anything! Sponsored skate-a-thon, sponsored silence, sponsored dog walk, sponsored knit, sponsored hula-a-hoop – the list is endless! So why not decide what you're going to do, set a date to do it, get family and friends to support you, and then do it! Easy!

Odd Jobs:

Do odd jobs around the house for family and/or pocket money donated to the SPCA animals.

Car Wash:

Important: make sure Mum or Dad is supervising. There are two ways this can be done – either charge per car that is washed, or get sponsored a set amount for each car you wash

The SPCA Guardian® programme:

Join the SPCA Guardian® programme as a class, school or family and make an automatic monthly donation.

Birthday Parties:

At your next birthday party, instead of birthday presents, just ask your friends and family to bring donations for the SPCA of animal food, old towels/blankets or old jumpers, or even a gold coin donation. You can bring it all out to the SPCA and have a look around our Animal Village while you're here.

SPCA Animal Piggy Bank:

Start an 'SPCA Animal Piggy Bank' at home or school; all those spare coins can be collected and when it's full, take it to the SPCA.

Grow plants and vegetables:

Grow plants and vegetables and sell them to family and friends.

Fundraising with your class or school!

Here are some ways you and your school can get involved in fundraising for the SPCA!

Animal Mufti Day:

Mufti days are a fun and easy way of raising money for New Zealand's animals. Why not make them even more fun by adding an 'animal' theme to the day? Think animal onesies, cat t-shirts and face-paint!

Talent Competition:

Has your school got talent? Look hard enough and you might just find the X-Factor! Charge an entrance fee to come and watch the competition and the audience can ultimately decide the winner. Raise even more money by adding a raffle or auction to the event.

Spelling Bee:

Compete in teams or as individuals. Make it into a competition or just play for fun - either way, it's educational.

Fundraising Fair:

Turn your school fair into a fundraising event and you could raise significant amounts of money for SPCA animals. Ask for a percentage of profit from each stall to come to SPCA and host a charity raffle and auction to raise even more money.

Scavenger Hunt:

Like a mini Amazing Race, host a scavenger hunt at your school and bring out the competitive spirit of your classmates as they team up to take on the challenge. Ask participants for a donation and award various prizes throughout the competition.

Bake Sale:

Set up a stall and ask for a donation for your delicious baked treats. Any money you raise can be donated straight to the animals at your local SPCA.

Fashion Show:

Run a charity fashion show at your school and charge guests to come along and watch.

The important things to remember are

- 🐾 Be safe
- 🐾 Involve your family, classmates and friends
- 🐾 Share animal care information with everyone you know who has an animal
- 🐾 Make sure you have permission from parents/teachers before you start your fundraising ideas
- 🐾 **NEVER** collect money going 'door-to-door'
- 🐾 Tell us about it
- 🐾 **HAVE FUN!**

Remember - always have Parents or Teachers permission and help before you start, and **NEVER** collect money going 'door-to-door'.
