# How to Draw a Cat

Drawing is a super fun activity, especially when you're drawing animals! Follow the step-by-step instructions below to learn how to draw a cat. Once you've got the hang of it, get creative with your drawings!
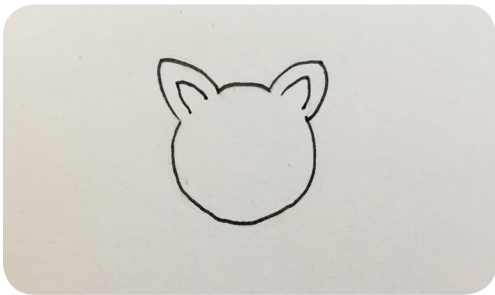

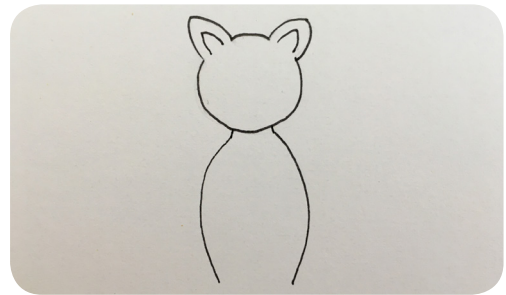

Instructions:

1 Start by drawing two curved triangles with a curver in the middle for your cat's ears.
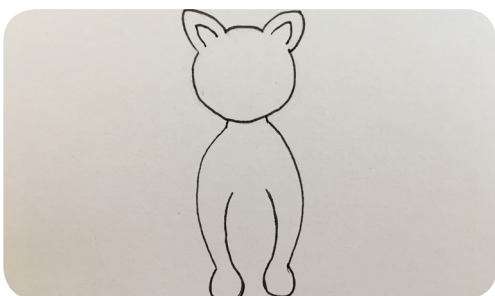

2 Next, draw a half circle, from one ear to the other for your cat's head.
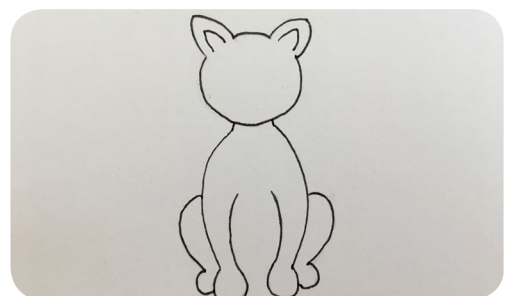

3 Draw a similar shape inside the ear, just smaller.

**4** Draw two lines, slightly curved from your cat's head.

5 Draw two circles at the bottom of the lines for paws and bring the lines up to finished the cat's back legs.
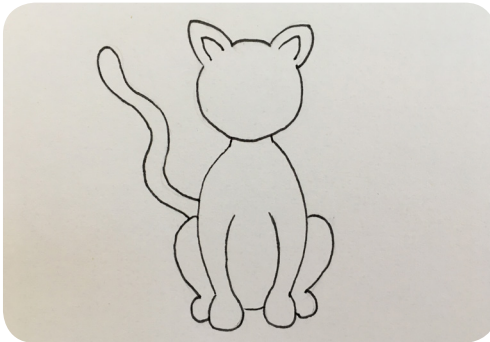

**6** Draw two curves with circled at the end for your cat's back legs.
