How to Draw a Cow

Drawing is a super fun activity, especially when you're drawing animals!
Follow the step-by-step instructions below to learn how to draw a cow.
Once you've got the hang of it, get creative with your drawings!

Instructions:

**1** Start by drawing a half circle and close it at the bottom with a slightly curved line.

**2** Next, draw another bigger half circle under the curved line.

3 Draw two pointed ovals on either side of your cow's head to make their ears.

4 Add details like horns, eyes, and nostrils to make your cow's face.

5 Draw a line straight down from your cow's face and another out from their head and curve it downward.

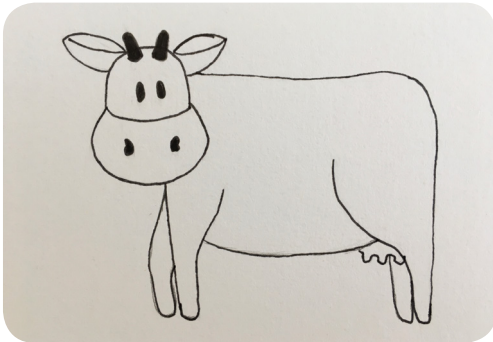

**6** Draw your cows legs by bringing the lines back up.
