

Irresistiballs for Birds

Irresistiballs are great fun for many animals - including companion birds. Birds will love exploring these toys and searching for food hidden within them!

Materials needed:

- > Cardboard rolls
- > Scissors
- > Coconut fibre rope

- 2 Place the rings, one inside the other, to create balls.

- 3 Thread the rope through the balls.

Instructions:

- 1 Cut the cardboard rolls into rings.

- 4 Tie toy in your birds' enclosure for them to enjoy!

Remember, always be careful with scissors - ask an adult for help!
