

## Origami Guinea Pig Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami guinea pig!

### Instructions:

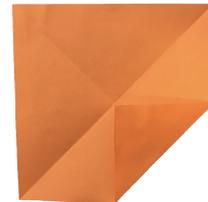

- 1 Start with a square piece of paper, approximately 15cm x 15cm.

- 2 Fold the paper in half diagonally to make a triangle.

- 3 Next, fold the paper in half diagonally, the opposite way.

- 4 Fold bottom right corner into the centre of the paper.

- 5 Do the same thing with the rest of the corners.

- 6 Turn the paper and fold the bottom point to the centre of the paper.

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami guinea pig!

## Instructions continued:

**7** Flip the paper over.

**8** Fold the right corner over at the centre of the top point and the bottom right.

**9** Flip the paper over and turn so the biggest corner is facing down.

**10** Fold the bottom corner up (fold along the centre of the right corner).

**11** Open the paper and bring the flaps out.

**12** Fold the paper in half, bringing the flaps together.

## Origami Guinea Pig Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami guinea pig!

### Instructions continued:

- 13** Open the paper again, with the flaps on the outside.

- 14** Open the top fold up.

- 15** Bring the flaps out from under the top point.

- 16** Flatten the top point so the flaps underneath stick out.

- 17** Fold the paper in half and turn so the point is on the left.

- 18** Fold the point back under the square.

## Origami Guinea Pig Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami guinea pig!

### Instructions continued:

19 Unfold the last step and reverse fold the point into the square .

20 Open the paper, being sure to not flatten.

21 Pinch the folds that meet in the centre to create a point in the middle.

22 Push the bottom of the point inward while folding the top slightly over.

23 Fold the paper in half.

24 Fold the bottom right corner inward.
