

Plaited Paper Rings

These plaited paper rings make for a great bird toy - they can play with, explore, and shred these safe, brown paper rings! Follow the instructions below to make this interactive bird toy:

Materials needed:

- > Brown paper
- > Scissors
- > Coconut fibre rope

- 2 Plait the strips, leaving a bit of length at each end.

Instructions:

- 1 Cut the brown paper into 3 strips the same length.

- 3 Weave the ends together to make a ring.

Remember, always be careful with scissors - ask an adult for help!

Plaited Paper Rings

Instructions Continued:

- 4** Plait another ring, looping it through the first ring.
- 5** Continue to loop rings together until you have your desired length.

- 6** Attach coconut fibre rope to the end to hang.

Always use bird safe materials and supervise your birds when they are using enrichment!
