

Rag Hero Instructions

Rags are used for cleaning animal enclosures. It's important that we don't transfer germs from one enclosure to another, so a new rag is used for each enclosure. We never have enough rags!

Our wonderful rag heroes make these much needed rags for us, so SPCA animals can have sparkly, clean enclosures.

To become a Rag Hero you can collect clean flannelette sheets, pure/heavy cotton sheets and pillow cases and then cut these into 40cm x 40cm squares (rags!)

Or you can contact our Volunteer Coordinators who will supply you with sheets which you can cut up at your own time and at your own place.

We always need more Rag Heroes so please spread the word!
