

Treat Roll Instructions

A simple puzzle that's great for dogs. This provides mental stimulation and keeps dogs engaged. Make sure you always supervise your companion animal while they are playing with enrichment toys!

Materials needed:

- > Cardboard tubes
- > Fabric (fleece/blanket/sheet)
- > Scissors

Instructions:

- 1 Cut fleece into a size that will fit snugly inside the cardboard tubes.
- 2 Scattered kibble on the material and roll up.

- 3 Feed the material through the cardboard tubes.
- 4 Make sure that the ends are sticking out for easier removal.
