

What to Do if an Unknown Dog Approaches You

If an overly excited or unfriendly dog approaches you:

Be a tree

1. Stop
2. Fold your branches (arms)
3. Watch your roots grow (look at your feet)
4. Keep quiet and count in your head until the dog goes away or help comes

If a dog jumps on you and knocks you down:

Be a rock

1. Curl up to protect as much of your body as possible
2. Protect your face and neck with your hands and arms
3. Keep quiet and count in your head until the dog goes away or help comes
